The National UDL Task Force is an interdisciplinary coalition of national organizations that advocates support for UDL in federal, state, and local education policy. Members represent the fields of pre-K – 12 education, higher education, career assessment, disability advocacy, research, and state education agencies. We seek to expand membership of organizations that value the importance of UDL. For more information visit our website at www.udlcenter.org/advocacy/taskforce

To learn more or apply on behalf of your organization, email Patti Ralabate at PRalabate@cast.org or Nancy Reder at Nancy.Reder@nasdse.org
